11 LIBRARY TRUSTEES PRESENT: Treasurer Jaqueline Brandt, Secretary Kathleen Kilgore, Chairman Susan
12 Leonardi
13
24 Library Trustee Jacqueline Brandt motioned to open the North Hampton Library Board of Trustees
25 Meeting at 7:06 pm.

83 **8.1 Library Entrance Discussion**
84

85 Library Trustee Jacqueline Brandt stated that NH DOT issued a Driveway Permit modifying the existing
86 driveway as a result of the newly constructed Library; the permit and all supporting documents will be
87 available on the Library website. She said she walked the site with Jonathan Pinette and met with each
88 Select Board member individually for discussion.

89
90 Ms. Brandt said basically the driveway will be shifted left on Atlantic Avenue with minimal impact on
91 existing stone wall, 10 feet of which will be reassembled in the center portion. She said our primary
92 concern is public safety and the 2-lane traffic pattern in front of the Stone Building will become one-way.
93 The cost for construction is estimated at \$19,000 and will be completed within the timeframe of the
94 project coordinating with all Town Departments.

95
96 Vice-Chair Sununu said he was concerned that the Walkway Committee is already working with a goal to
97 close off traffic in front of the Stone Building and design a pedestrian walkway, but the permit shows a
98 one-way traffic flow there. He asked if that alteration can be made to make sure it will not interfere with
99 the driveway design regarding long-term traffic flow and it should be confirmed.

100
101 Chairman Maggiore asked if the new driveway design would create any new parking for the Library and
102 Ms. Leonardi said it may create one more spot. Town Administrator Tully suggested they consider putting
103 a walkway along the parking lot to eliminate foot traffic within the lot.

104
105 Library Trustee Jacqueline Brandt moved to adjourn the meeting of the Library Board of Trustees at 7:34
106 pm.
