Wednesday,
Mar 12, 6–7 pm
Reading Room**

News

Exciting news to share this month! For our April 9th meeting, Rob Southworth from the North Hampton Historical Society will be joining us as a guest speaker. Looking forward to all he has to share about North Hampton history and genealogy. Save the date!

Rootstech 2025 is live today! It's the annual genealogy conference that Familysearch organizes. It runs now till March 8. Check it out in the links.

NH Society of Genealogists Spring Conference

For anyone that's interested, the NH Society of Genealogists are having their Spring conference on Saturday, April 26, 9:30am-2:30pm. It's a virtual conference, so you can attend from the comfort of home using Zoom. It costs \$40, but if you sign up before April 12, you get an early bird special of \$35 (\$25 if you are an early bird member). Here is a link to for more information: [NH Society of Genealogists Conference](#)

I've also added links for other genealogy conferences in case you're interested.
